2. Words used in the Agreement in the masculine gender shall include the feminine and the neuter.

3. Union activities shall not interfere with the normal operation of the Employer's services.

4. The Employer shall have the right to contract certain work so long as it does not result in layoffs, or reduction of the normal 40-hour work week. The employer agrees not to contract out ordinary snow removal or routine scheduled overtime as provided by past practice; however, the Employer may contract out emergency snow removal or other contract services that require certain expertise, or where the nature and subject of said work is not easily provided for by the employee work force.

8. In the event that an employee suffers a non-work-related illness or injury, which renders him temporarily unable to perform his duties, but he is physically capable of performing the duties of a vacant position in the Municipality, the Employer shall have the right to place the employee in such position. An employee assigned to modified duty shall continue to receive the rate of pay associated with his regular job classification. Nothing in this section shall be construed to limit the Employer's right to place an employee on disability retirement. However, if an employee does not choose disability retirement when such employee recovers from his non-work-related illness or injury, he shall have a right to return to the position he held immediately prior to such disability.

9. When a job is created or vacated, such job shall be posted for a period of five (5) working days. Job vacancy postings shall include the location of the normal duty assignment. Such promotion shall not be considered a break in continuous service. However, holding a Non-Union position for longer than six (6) months constitutes a break in continuous service.

11. Payment of wages by the members of the Union shall be bi-weekly in accordance with present practice. If the scheduled payday falls on any holiday provided for in this agreement, all employees shall be paid before quitting time on the day proceeding said holiday.
